#### PRE-INSTALLATION CONSIDERATION

The Mini Boards were designed to be used in many different locations on a variety of motorcycles. These installation instructions contain specific mounting procedures as well as general guidelines for comfortable and safe installation of the boards.

**DRIVER FOOTBOARD APPLICATIONS:** Ensure that the installation of the boards do not prohibit the proper function of the gear shifter or rear brake pedal. You may only be able to use the middle or front mounting hole to keep the board from extending too far forward thereby reducing gear shifter or brake pedal clearance.

**PASSENGER FOOTBOARD APPLICATIONS:** The boards can be installed so that they fold up in the stow position. Ensure that, when folded back, the boards do not contact any part of the motorcycle and that they remain in the stowed position during operation of the bike.

- STEP 1** Read and understand all steps in the instructions before starting the installation. Park the motorcycle on a hard, level surface and turn off the ignition. Let motorcycle cool.
- STEP 2** Install the footpeg adapters (sold separately) per the instructions provided with them.
- STEP 3** Refer to PIC 2. Locate the Left (clutch-side) Mini Board. Determine which of the three splined mounting holes will best suit you **BEFORE** continuing on.
- STEP 4** Locate provided one (1) screw and one (1) flat washer. Place the flat washer onto the screw.
- STEP 5** Align the Mini Board with the footpeg adapter. Secure it in place with the screw and washer assembly. Ensure that the Board is able to fold upward and rearward.
- STEP 6** Ensure the splines on the board and adapter are engaged. Fully tighten all hardware.
- STEP 7** Repeat Steps 2 through 6 for the Right (brake-side) Mini Board.

#### ADJUST THE MINI BOARD ANGLE

- STEP 8** Refer to PIC 3. Loosen (but do not remove) the 5/16 x 1 screw. Adjust the angle to the desired position. Ensure that the splines are engaged and re-tighten the screw.
- STEP 9** Fold the board up and ensure that it does not contact any part of the bike. Adjust if necessary.

#### REMOVE AND INSTALL RUBBER PAD

**STEP 10** Refer to PIC 4. To remove rubber pad insert, press up on it from the bottom of the board.

**STEP 11** To reinstall rubber pad insert, align and place it into the mini board. Press down on it to set it in place.

#### NOTICE

**IT IS THE INSTALLER'S RESPONSIBILITY TO ENSURE THAT ALL OF THE FASTENERS (INCLUDING PRE-ASSEMBLED) ARE TIGHTENED BEFORE OPERATION OF THE MOTORCYCLE. KURYAKYN WILL NOT PROVIDE WARRANTY COVERAGE ON PRODUCTS OR COMPONENTS LOST DUE TO IMPROPER INSTALLATION OR LACK OF MAINTENANCE. PERIODIC INSPECTION AND MAINTENANCE ARE REQUIRED ON ALL FASTENERS.**

#### LIMITED WARRANTY

Kuryakyn warrants that any Kuryakyn products sold hereunder, shall be free of defects in materials & workmanship for a period of one (1) year from the date of purchase by the consumer excepting the following provisions:

1. Kuryakyn shall have no obligation in the event the customer is unable to provide a receipt showing the date the customer purchased the product(s).
2. The product must be properly installed, maintained & operated under normal conditions.
3. Kuryakyn shall not be liable for any consequential & incidental damages, including labor & paint, resulting from failure of a Kuryakyn product, failure to deliver, delay in delivery, delivery in nonconforming condition, or for any breach of contract or duty between Kuryakyn & a customer.
4. Kuryakyn products are often intended for use in specific applications. Kuryakyn makes no warranty if a Kuryakyn product is used in applications other than intended.
5. Kuryakyn electrical products are warranted for one (1) year from the date of purchase by the consumer. L.E.D.'s contained in components of Kuryakyn products will be warranted for defects in materials & workmanship for 3 years from the date of purchase whereas all other components shall be warranted for one (1) year.
6. All warranty claims must be directed to the place of purchase. Merchandise sold through internet auction sites or any other unauthorized reseller shall not carry a Kuryakyn warranty. If unsure, please contact the place of purchase to verify they are an authorized Kuryakyn reseller.

#### RETURN POLICY

Merchandise determined to be defective may be returned up to one year from the date of purchase. Returns must be processed through original seller. Returned merchandise for any other reason other than warranty claims must be in like new condition & subject to a 20% restocking fee. All returns are subject to inspection for determination of full or partial credit. Any returned part that shows evidence of being used or installed contrary to manufacturer's instructions, &/or subjected to improper handling, packaging or return shipping by the customer, will not be eligible for exchange, refund or warranty consideration. All returned electrical items will be inspected & tested. If electrical item is deemed functional, no credit will be issued & item will be returned. All sales are final on discontinued or closeout merchandise.
